## SANTA BARBARA CITY COLLEGE

Founded in 1909, Santa Barbara City College is one of the premier community colleges in the nation. This ranking was validated by the college co-winning the prestigious Aspen Institute Prize for Community College Excellence in 2013. SBCC was recognized for its quality and focus in four areas: facilitating underrepresented and minority student success, student learning outcomes, degree completion and transfer rates, and labor market success in securing good jobs after college.

Located on 74-acres overlooking the Pacific Ocean, SBCC serves nearly 14,000 credit students and 4,500 noncredit students annually. The college offers strong academic programs and innovative and award-winning student success initiatives, a robust transfer program, and a rich career technical program reflective of the local business community's input and workforce needs.

Student life is an important part of the campus environment with numerous opportunities for students to become involved in student leadership and participate in a variety of clubs on campus.

## OUR VISION

Santa Barbara City College strives to build a socially conscious community where knowledge and respect empower individuals to transform our world.

## OUR MISSION

As a public community college dedicated to the success of each student…

Santa Barbara City College welcomes all students. The College provides a diverse learning environment and opportunities for students to enrich their lives, advance their careers, complete certificates, earn associate degrees, and transfer to four-year institutions.

The College is committed to fostering an equitable, inclusive, respectful, participatory, and supportive community dedicated to the success of every student.

***Congratulations Vaqueros!***

*Congratulations graduates. It is an honor to congratulate Santa Barbara City College's Class of 2023. It is exciting to celebrate your accomplishments as you step into the future that you have worked so hard for. You have been resilient and have achieved this success during one of the most stressful and challenging times in our history, the COVID-19 pandemic.*

*As you celebrate your commencement, please recognize what you have achieved. This commencement is a critical milestone in your life, and it is because of your hard work and dedication that you are here today. Tomorrow you will start your new beginning – the new beginning that you have created for yourself, and for that, you should be so proud.*

*It is with a heavy heart that I say that this will be my final commencement as a college President. Congratulations on your graduation on behalf of the entire Santa Barbara City College community.*

*Onward,*

Dr. Kindred Murillo
*Interim Superintendent/President*

# SANTA BARBARA CITY COLLEGE ACADEMIC DRESS

The history of academic dress dates to the early days of the oldest universities. The shape and size of the American hood marks the wearer's degree (baccalaureate, masters or doctoral) and the university or college that awarded the degree. Dress variations exist for academic robes from European universities.

## GOWNS

All three types of gowns are black. Bachelors have long, pointed sleeves with two pleats on either side. Masters' gowns feature crescent-shaped, full-length sleeves and a closed front with fluted shoulders. Doctors wear robes with full, flowing sleeves that have bars of black or blue velvet.

## HOODS

The bachelor's hood has a two-inch velvet band; the master's hood has a three-inch band; and the doctor's hood has a five-inch velvet band. The velvet neckband on the hood symbolizes the wearer's field of study, and the lining recognizes the official colors of the institution that granted the degree. The fields of study noted by the color of the velvet neckband are as follows:

- Arts, Letters, and Humanities / *White*
- Business Administration, Commerce, Accounting / Drab Economics / *Copper*
- Education / *Light Blue*
- Engineering / *Orange*
- Fine Arts / *Brown*
- Journalism / *Crimson*
- Library Science / *Lemon*
- Mathematics / *Gold*
- Music / *Pink*
- Nursing / *Apricot*
- Oratory / *Silvery Gray*
- Philosophy / *Dark Blue*
- Physical Education / *Sage Green*
- Political Science / *Royal Blue*
- Public Administration / *Peacock Blue*
- Science / *Gold-Yellow*
- Social Science / *Citron*
- Sociology / *White*
- Theology or Divinity / *Scarlet*

## CAPS AND TASSELS

Santa Barbara City College associate degree students wear black mortarboard caps with black tassels.

## GOLD TASSELS

Indicates graduation with honors.

## PHI THETA KAPPA HONOR SOCIETY

Phi Theta Kappa is the International Honor Society for two-year colleges. Beta Gamma Upsilon, the SBCC chapter, provides opportunities to develop leadership skills and to serve the campus and the community. To be eligible, a student must have completed at least 12 units at SBCC with a 3.5 grade point average. The Phi Theta Kappa graduates are wearing a gold satin stole.
